August 1, 2011

**TO ALL MCPOA MEMBERS:**

**SUBJECT: MCPOA SIGNS**

At our annual meeting this spring in Forestburg there were several people who came up to me after the meeting and asked if we were going to make signs available like the Upper Clear Creek Range and Wildlife Management had that you still see all over the county. I contacted Davis Sign & Neon in Wichita Falls and have worked out a price that I feel is very favorable considering the prices I was quoted by other companies. We are able to offer two different sizes:

- 1) 18" X 24" price is \$26.00
- 2) 24" X 30" price is \$43.00

These prices include sales tax. If you have an interest in purchasing a sign or signs, please mail a check to the above address and include a note as to how you would like to have your property designated on your sign or signs. Like all the services provided by the MCPOA to our members we try to do things in groups of at least 10 or more to cut down on time and cost. This offer for this group will be open until August 17, 2011 and then we will turn our order in.

If you have any questions please call us at 940-995-2349.

Robert E McKee III  
MCPOA President
